

Lochside Primary Home Learning

Working together to make a difference and achieve success for all

P1 Week 12

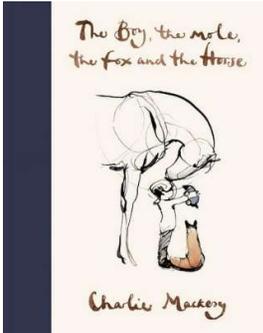

Instructions

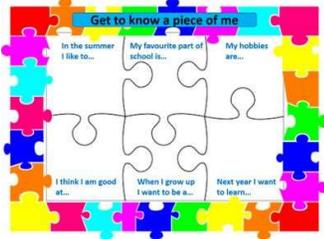

The tasks below will provide your child with opportunities for learning whilst they are not in school.

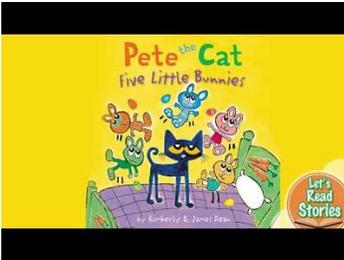

Challenge Task

Teach yourself a new skill.

Remember to be **curious**, to **concentrate**, **challenge** yourself, **communicate** with others and be **creative**. There are many other worthwhile learning activities you could choose to do and we look forward to hearing about some of them when we are all back together.

	Numeracy	Literacy	Health and Wellbeing	Topic	Home and Community
Monday	<p>Number splat!</p> <p>Write numbers on paper, stick them to the side of the shed/wall/playhouse/chair. Using a hose or water pistol see if you can splat them in order from lowest to highest and then in reverse.</p> 	<p>Looking back.</p> <p>We have absolutely loved being your Primary 1 teachers and will miss you very much as you move on to Primary 2. Can you share your best bits of Primary 1 with us? This could be written, voice recorded or by video.</p> 	<p>Differences and Acceptance</p> <p>Use the link on Seesaw to find the next part of the story.</p> 	<p>Summer fun!</p>  <p>Create a delicious ice lolly picture of your own. Use bright colours and patterns to make it look appealing. Extension: Use your jotter to write a description of the ice lolly, include flavours/toppings.</p>	<p>Opposite hand challenge!</p> <p>Try to do everything with your opposite hand (the one you wouldn't usually use!)</p> <p>It is tricky but really good for your brain</p>

<p>Tuesday</p>	<p>Money - coins Use the link below to Spot the Coins in the pictures. https://natwest.mymoneysense.com/students/students-5-8/spot-the-coins/</p> <p>Challenge – try the advanced level where you have to put the coins in the right order.</p> 	<p>Moving on to P2 Seesaw Activity We hope you enjoyed looking at the profiles of the staff you will be working with in P2. Now it's your turn! Find the activity on Seesaw and record yourself to let your new teacher know a little bit about you.</p> 	<p>Get cooking! Can you make lunch today?</p> <p>Have a look at these ideas to help you pick something yummy to make for lunch. https://www.jamieoliver.com/features/category/get-kids-cooking/</p> 	<p>At the Seaside Listen to the story 'The Snail and the Whale' https://www.youtube.com/watch?v=3ZA1KDaFU6c</p> <p>Write down the different sea animals you heard about in this story.</p>  <p>Draw a picture of your favourite underwater animal.</p>	<p>Go for a walk, bike ride or scooter ride.</p>
<p>Wednesday</p>	<p>Addition skittles Write the numbers from 1 to 5 on empty toilet roll tubes and set them up like skittles. Use a ball or rolled up socks to try and knock down the skittles. Add up the numbers on the skittles to work out your score.</p> 	<p>Moving on to P2 Draw a picture of the important people in your life. Include their names and make sure to add detail in your picture. Your new teacher will love to look at these!</p> 	<p>Emotion Works <i>There is a task linked to the Emotion Work Cogs on the children's Seesaw account in the assigned tasks section.</i></p> 	<p>French - Colours Seesaw Activity </p> <p>Use the video on Seesaw to practise saying the colours in French.</p> 	<p>Take a walk to the cycle path at the back of the school playground and add your stone to the Lochside collection.</p>
<p>Thursday</p>	<p>Number Stories Seesaw Activity Listen to the story on Seesaw and then follow the instructions to create your own number sentences.</p>	<p>Moving on to P2. What are you excited for? What are you nervous about? What would you like to learn?</p>	<p>Kindness Matters Draw a picture or take a picture of yourself carrying out an act of kindness. Post it to Seesaw or</p>	<p>At the seaside If possible, walk to the beach and see if you can find some shells with your family. What can you make with these? Can</p>	<p>Remember to make your bed when you get up in the morning.</p>

		<p>Write these down or record it in some way so we can share it with your new teacher.</p> 	<p>twitter with the #kindnessmatters</p> 	<p>you decorate them?</p> 	
<p>Friday</p>	<p>Number bonds Use the link below and use your number bonds to 10 to help you solve the jigsaw puzzles. https://www.mathplayground.com/puzzle_pics_addition_facts_to_20.html</p> 	<p>Writing Use your jotter to write about what you will be doing in the summer holidays. Will you get to have a long lie in? Will you manage to see someone different? Maybe you plan on playing on your bike or scooter! Write it in your jotter to share with us.</p> 	<p>Paint the alphabet. Use a scarf, piece of fabric or ribbon. Ask your child to draw different letters of the alphabet in the air with their scarf or even write a word. They could ask the adult to guess the letter/ word they have painted. Explore different ways of making the letters big, small using different body parts.</p>	<p>Ice Lollies! It's the last day of school, have fun by making your own ice lollies. You can do this by freezing some of your favourite juice and you can use a spoon as a stick. What can you add to make them even more delicious?</p> 	<p>Enjoy reading a story or watching a film with your family.</p>
